Choose UCA+ TEE-POOL HD/ GENEPOL HD for all your cleaning needs, ensuring efficient, eco-friendly, and cost-effective cleaning solutions across a variety of applications. Experience the unmatched performance and versatility that keeps your spaces spotless and your operations smooth.

UCA+ TEE-POOL HD/ GENEPOL HD

PRODUCT DESCRIPTION:

Discover the ultimate in versatile cleaning power with UCA+ TEE-POOL HD/ GENEPOL HD, a highly concentrated, biodegradable cleaner designed for a wide range of applications. This exceptional multipurpose cleaner combines advanced surfactants and alkaline materials to deliver unmatched cleaning efficiency while being gentle on the environment.

APPLICATIONS:

Tank Cleaning: Perfect for thorough cleaning of tanks, galleys, accommodation areas, and engine rooms. UCA+ TEE-POOL HD/ GENEPOL HD effectively removes oil, dirt, and residues from all surfaces, including reefer boxes and wood/deck surfaces.

General Cleaning: Ideal for everyday cleaning tasks in various settings such as ships, launches, and industrial maintenance departments. Its superior foaming properties and rapid penetration make it perfect for cleaning light oil, dirt, and grime from surfaces in galleys, accommodations, and engine rooms. Additionally, it is excellent for cleaning reefer boxes, woodwork, and decks.

DIRECTIONS FOR USE:

Tank Cleaning:

- **Dilution:** Use a 2-5% solution in water.
- **Application:** Apply using spraying or circulation methods.
- **Temperature:** For optimal results, use water heated up to 80°C.
- **Consultation:** For specific tank cleaning details, consult our technical/cleaning department or refer to our tank cleaning guide.

General Cleaning:

- **Dilution:** Dilute UCA+ TEE-POOL HD/ GENEPOL HD at a rate of 2-20% with warm water, depending on the level of contamination.
- **Application:** Apply using mops, brushes, or by dipping soiled parts into a cleaning bath.
- **Foaming:** High foaming properties make it effective for various cleaning tasks but should be considered when using with washing machines.
