

UniClean America

FEATURES AND BENEFITS

- Powerful cement and concrete residue removal.
- High calcium-dissolving performance.
- Virtually fumeless and nearly odorless.
- Advanced alternative to hydrochloric and muriatic acid cleaners.
- Helps reduce cleaning time and manual scraping.
- Suitable for tools, mixers, tanks, machinery, and industrial surfaces.
- Non-caustic and non-phosphate.
- 100% biodegradable.
- Readily neutralized through thorough fresh-water rinsing.
- Formulated and engineered in the USA.

UCA+ CEMENT REMOVER ENVIROACID HD

PRODUCT DESCRIPTION:

UCA+ CEMENT REMOVER ENVIROACID HD is a next-generation heavy-duty acidic cleaner specially developed to dissolve and remove hardened cement, concrete residue, cement splashes, and cementitious deposits from equipment and industrial surfaces.

Engineered in the USA as an advanced alternative to traditional hydrochloric acid-based cement cleaners, its virtually fumeless and nearly odorless formulation helps provide a more controlled cleaning process while delivering powerful cement-removal performance.

Its high calcium-dissolving capability allows it to penetrate and break down stubborn cement deposits, helping restore tools, machinery, tanks, mixers, and surfaces without the strong fumes and odor associated with conventional muriatic acid cleaners.

APPLICATIONS:

- Removes hardened cement and concrete residue from tools and equipment.
- Suitable for cleaning cement mixers, concrete trucks, pumps, and batching equipment.
- Removes cement splashes from industrial floors, walls, and working surfaces.
- Suitable for tanks, pipelines, machinery, and equipment affected by cementitious deposits.
- Helps simplify cement-cleaning operations by reducing multiple cleaning stages.
- Neutralizes readily when thoroughly rinsed with fresh water.

COMPARISON TABLE: REGULAR HYDROCHLORIC ACID VS. UCA+ CEMENT REMOVER ENVIROACID HD

Feature	Regular Hydrochloric Acid	UCA+ CEMENT REMOVER ENVIROACID HD
Corrosiveness	Highly corrosive	Less corrosive
Smell	Very strong acid smell	Almost no smell
Ventilation	Requires ventilation and full-face mask	without ventilation and without face mask
Fumes	High acidic fumes	90% less fumes
Skin Safety	Causes burns to skin	Safe to skin

Step into the future of cleaning with UCA+ CEMENT REMOVER ENVIROACID HD, where cutting-edge technology meets exceptional safety and performance. Transform your maintenance routine with a cleaner that redefines efficiency, reliability, and environmental responsibility.
